Lord I need somebody bad tonight
It's hurtin' more than I believed it could
Lord I need somebody bad tonight cause I just lost
somebody good

I came in here to find someone like you to take her
place
For just a little while then I'll be gone
I'll hold you in my arms close my eyes and see her face
I won't recall your name when I'll get home

And Lord I need somebody bad tonight
It's hurtin' more than I believed it could
Lord I really need somebody bad tonight cause I just
lost somebody good
[fiddle - steel]
Yes Lord I need somebody bad tonight cause I just lost
somebody good
