Standin' on the corner of a busy street I'm lookin' for  
your face in every crowd I see  
Checking every honky tonk in this town  
Tryin' to find the places that you hang around  
Oh Lord I'm tired tired of living this a way  
Now I've been waitin' on you baby night and day  
A wonderin' if your love will ever come my way  
But time's runnin' out and I'm a slowin' down tired of  
being just another hang around  
Oh Lord I'm tired tired of living this a way  
[ fiddle - steel ]  
Well there ain't no happiness in anything I do  
I found myself so lonely when I'm not with you  
What makes you just a kinda girl a guy will love  
You've got so many others that you're thinking of  
Oh Lord I'm tired tired of living this a way  
Oh Lord I'm tired tired of living this a way
