Lets Sleep On It Tonight (Mel Street)
You say the shadows of doubt
Has entered your thoughts
And suspicion is crowding your mind

Love that you thought was pure love
Anymore you're not sure of
And leavin' is strong on your mind

But tonight lets sleep on it Baby
Just give me one more chance
To change your mind

And in my arms tonight
Maybe love can make it right
Think it over Darlin'
Lets sleep on it tonight

We could never discuss
What was happening to us
All the problems that threatened our love

Now from here I can see
What's important to me
And maybe I didn't try hard enough

So tonight lets sleep on it Baby
Just give me one more chance
To change your mind

And in my arms tonight
Maybe love will make it right
Think it over Darlin'
Lets sleep on it tonight

Think it over Honey
Lets sleep on it tonight
