Don't know what I'm gonna do since my baby said we're
through
I've really got a case of blue oh I walk the Lonely Street

Ever since she said goodbye all I do is sit and cry
And that's the only reason why oh I walk the Lonely
Street

Well she would give a little I take a lot I really long to
have her near
And it's the truth bilievet it or not I hate to see a love
disappear
Don't know what I'm gonna do...
[guitar]
Well she would give a little...
Ever since she said goodbye...
