We're taking chances meeting here like this
But when your sweet love wrapped around me I know
it's worth the risk
And that old fire inside is burning and I just ache to
hold you tight
We're two lonely people lovin' on borrowed time
Lovin' on borrowed time steppin' across the line
Slippin' around at night and living a lie
We're hooked on a peeling now too strong to deny
We're two lonely people lovin' on borrowed time
[fiddle + steel]
I feel my conscience melting in your arms
As we slowly come together you're so soft and warm
I can feel your body tremble as we cross the cheating
line
Just two lonely people lovin' on borrowed time
Lovin' on borrowed time...
