Oh Mary don't you weep for me oh Mary just await for me  
The war's gonna soon be over oh Mary don't you weep

Jimmy sent a letter to his bride back home for three  
long years he's been gone  
He left her crying on her wedding day  
And went to fight the battle of the Blue and Gray  
Oh Mary don't you weep for me...

Mary's young heart was filled with joy when she got the  
letter from her soldier boy  
His words of love made her heart beat fast but little did  
she know it would be the last  
Oh Mary don't you weep for me...

On that same day Atlanta burned down her soldier boy  
he fell to the ground  
Now Mary sits alone by the candle light and reads his  
letter over every night  
Oh Mary don't you weep for me...  
Oh Mary don't you weep for me...  
Oh Mary don't you weep oh Mary don't you weep oh  
Mary don't you weep
