Lay beside me on the sand I put some lotion on your
hand
Come on and make me feel nice and kiss me once or
twice
And say you love me again
Rub it in rub it in rub it in rub it in
I feel the tingle begin you're gettin' under my skin rub it
in rub it in

I turn your radio on find a good country song
Baby whisper in my ear say the words I wanna hear
Make me know your love is strong
Rub it in rub it in...

Put a little on my nose put a little on my toes
Put it on my back and my sacroilac and rub it in nice
and slow
Rub it in rub it in...
[guitar]
Put a little on my nose...
Rub it in rub it in...
