"She's Too Good To Be True"

Sometimes late at night I wake up dreaming
I reach and feel for her she's too good to be true
Then I touch the sleeping softness of my angel
And half asleep she turns to whisper I love you
She's just too good to be true but she is
In my arms she reassures me with a kiss
She's everything I've ever looked for in a woman
She's just too good to be true but she is
[fiddle]
Each day I go to work seems like forever
Till that evening sun will bring me home again
Then she's waiting at the door with her sweet loving
And tonight she'll be so good to me again
She's just too good to be true...
She's just too good to be true but she is
