Don't be careless with you darling if you love her don't  
let her down  
If you're faithful she won't leave you lost and wasted  
the way I am  
Walk softly on the bridges that you're crossing  
Don't break his heart then cry cause it won't mend  
Be careful not to slam the door behind you  
You may want to knock upon her door again  
[ fiddle ]  
When temptation flirts and whispers come and taste  
my lips they're sweet as wine  
If you weaken then you'll be chatin' on your own heart  
like I did mine  
Walk softly on the bridges...  
You may want to knock upon her door again
