There's a ring on my finger there's a girl who waits at
home
I'm ashamed of what I'm doing but I keep cheatin' on
When I tell you that I miss her will you try to understand
That she's the one I love but you make me feel more
like a man
Yes she's the one I love but here I am with you
Guilty of the one thing I said I'd never do
I know that I should let you go but I don't think I can
I don't know what you've got but it makes me feel more
like a man
[fiddle + steel]
Now I don't want to hurt her for she means the world to
me
But I live in fear that she'll find out I'm where I shouldn't
be
If she knew that I was with you I know she'd never
understand
For she's the one I love but you make me feel more like
a man
Yes she's the one I love...
