[Verse 1]

Walked away from this English summer
Is the memory that we shared
Hazy mist surrounds our love
As we drift with out a care.

[Verse 2]

When I wake up in the morning light
My distant thoughts for you
Breaking up my grayest day
And lets the sun shine through

[M8]

I see you in my dreams baby
And that will have to do
Till this love of ours baby

[Chorus]

Will be as true as you
Bleed true as you
Yeah Yeah Yeah

[Verse 3]

Contemplated the right answers
And all the signs where there
Us alone with our soles entwined
As we kiss without a care

[Verse 4]

And maby some day, and some day soon
When our life has passed us by
Will take a look at the Northern Lights
That we painted in the sky

[M8]

I see you in my dreams baby
And that will have to do
Till this love of ours baby

[Chorus]

Will be as true as you
Bleed true as you

Yeah Yeah Yeah.
