Verse 1

She sat on the bed,
Looking at the photos of the passed
Time goes by
Sliping through your hands.

We rode over to the coast
Watching the sun set down on Scarborough sands,
These are the days,
Of your beautiful life,

Pre-chorus

This vision I have is clear
This has been my Favourite year
With you...

Don't, don't Say, baby goodbye,
Coz your already hear
Now, don't say, don't say, baby Goodbye
Coz your already hear...

Verse 3

Don't look so suprised
I see the thoughts daffodils
Reflecting in your eyes,
And that smile you give to me says it all...

Pre-Chorus

This vision I have is clear
This has been my Favourite year
With you...

Chorus

Don't, don't Say, baby goodbye,
Coz your already hear
Now, don't say, don't say, baby Goodbye
Coz your already hear...

Don't, don't Say, baby goodbye,
Coz your already hear

Coz your already hear...

Looking at the photos of the passed
Time goes by...
