V1

Well I'm takin back the wasted hours you took from me
Rising up again, again I'm takin back my liberty
Yeah, you got that right

Coz you, ll get nothing more from me, tonight
I'm right where I want to be, all right...

V2

I hear you laughing now, but really how stupid do you
look,
Were on a doubled bladed sword, and I don't give a
fuck
You got that right,

Coz you, ll get nothing more from me, tonight
I've got a bag full of energy, make me high...

Chorus

The music, is coming home
My crazy Rocked up baby is coming home
The music, is coming home
My crazy Rocked up baby is coming home
Tonight

V3

Well I'm taking back the wasted days you took from me
Rising up again, again I'm takin back my fucking liberty
Yeah, you got that right

Coz you, ll get nothing more from me, tonight
I'm right where I want to be, all right...

Chorus

The music, is coming home
My crazy Rocked up baby is coming home
The music, is coming home
My crazy Rocked up baby is coming home
Tonight

Blues Outro ending...
