[V1]

She gave a certain situation, that I cannot explain  
I'm still finding the reasons why  
Always complicating issues, that I could not ignore  
Just give it up yeah for that little white lie

[Pre-Chorus]

I, m just a victim of Circumstance  
The claws benith my skin  
Give me the keys for you bedroom door  
Coz I'm comming in

[Chorus]

She's a lie  
She's a lie  
She's a lie...

[V2]

She caused massive lasarations to the back and the  
front  
Coming out from either side  
Always toying with my mind and coming back every  
time  
A Strong belief she will never be mind

[Pre-Chorus]

Yeah, you really should see her move  
It will cost you with every stare  
Alibis and white wall thunder  
Coming down and down and down Yeah Yeah

[Chorus]

She's a lie  
She's a lie  
She's a lie...

She gave a certian situation  
She gave a certian situation  
She was a great ley

[Chorus]

She's a lie

She's a lie  
She's a lie...
