If you feel me

Make a memory

You're like a lollipop, you know that amazes me

Your like a summer day

That never goes away

You got me... ?

And I know

That your movin' out

So get gone

Before the summer's out

And ohh baby

You better listen up, cause I'm never gonna see you
again

And say

Do up, do up

Let's make it out right?

And shawty do up, do up

I've got to know and

Do up, do up

And we'll go to sleep then the girl will rise for me

We can take it slow, I got nowhere to go

Gotta get your number, cause I like you,
And you really know
And if you wanna roll, with me, you gotta know
Gotta get this rollin' do a shot then patrol
Cause I know
That your movin' out
So get gone
Before the summer's out
And ohh baby
Listen tonight, cause I'm never gonna see you again
Do up, do up
Let make it out right?
Do up, do up
I've got to know now
Do up, do up
And we'll go to sleep then the girl will rise for me
Sing it again now
Do up, do up
We're, lets make it out right?
Do up, do up
I've got to know now
Do up, do up
And we'll go to sleep then the girl will rise for me
And if I stay so long
Before your here tonight
With the summer girl

Come on and make it right

Stay so long

For the summer girl

Gotta make it roll

And now, I'm down

Let me see you move

Come one now, show me the shots that yah do?

Come on baby shawty shake your bacon for me?

Like you did in the sun and you'll see?

And now, I'm down

Let me see you move

Come on now, show me the shots that yah do

Come on baby shawty shake your bacon for me

Like you did in the sun and you'll see?

Woah the memories?

I felt the girl like a summer breeze

Will I see you againnn

Do up, do up

Lets make it out right?

And shawty

Do up, do up

I've got to know now

And do up, do up

We'll go to sleep then the girl will rise for me

Sing it again, do up, do up

Let's make it out right?

Do up, do up

I've got to know

And do up, do up

We'll go to sleep then the girl will rise for me againn.

I know why you were tryin
