And you don't seem to miss me  
And you're eyes sag  
So don't make a goddamn sound  
I'm coming to your town

I will destroy you  
Your soul impedes on mine  
Let go my free will  
I can't stand compromise  
Only when you're dead  
I'll make you mine

And the arrows are pointed

And the archer's delighted  
The thrill, the smell  
The shit I've been put through  
An angel to no one  
I hate you and you're blood  
So don't make a goddamned sound  
Cause I'm coming  
To your town
