Like snow in California
Signs from up on high
Bring things back to life now
Bring things back to life

Oh, the world is changing
Mayan calendar ends
Oh, the world is changing
So rally up your friends

I lost my way out
In a land of darkness, end of light
With no one left here
To show me how I died

Like snow in California
Signs from up on high
Bring things back to life now
Bring things back to life

Oh, the world is changing
Mayan calendar ends
Oh, the world is changing
So rally up your friends

I lost my way out
In a land of darkness, end of light
I lost my way out
In a land of darkness, end of light
With no one left here
To show me how I died

Like snow in California
Signs from up on high
Bring things back to life now
Bring things back to life
Bring things back to life now
Bring things back to life
Bring things back to life now
Bring things back to life
