My looks push too far, direct in some bar  
What lost and my foots on a nail  
The dark winter snows bright, please stay here tonight  
Walk on my face straight through my pillow

Some things last forever, why can't this last forever  
Nothing lasts forever, I hope this lasts forever

More sex, more goodbye's

I love you and I won't let myself let you go

Some things last forever, why can't this last forever  
Nothing lasts forever, I hope this lasts forever
