Awwright! Wooooohhhh!

A pretty face and a dirty look
knew right away that i'd have to get my hooks in you
Yeah yeah yeah
I'm running low on my memories
If you wanna make a fuss, boy, you gotta be a disease,
uhuh
I say yeah yeah

I need it all, baby, that's no lie
I need a lover with an alibi
I wanna fall into a love so sweet
Honey baby baby I'm hard to beat

Hot flesh and I touch alone
Smells in the air and I'm feeling so alone, uhuh
I say yeah yeah
Hallucination true romance
I need a love but I only got a face, uhuh
That ain't all

I'll tell ya honey it's a crying shame
All the pretty women look the same
I wanna fall into a love so sweet
Honey baby baby I'm hard to beat

Woooooh hey hey
Your pretty face is going to hell
Your pretty face is going to hell
Honey honey I can tell
Your pretty face is going to HELL!!!!
HELL!!!

A pretty face and a dirty look
Knew right away that i'd have to get my hooks in you
I say yeah yeah
I'm running low on my memories
If you wanna make a fuss, boy, you gotta be a tease,
uhuh and that ain't all
I say yeah yeah

I need it all, baby, that's no lie
I need a lover with an alibi
I wanna fall into a love so sweet
Honey baby baby I'm hard to beat

Wooh yeah hey
Your pretty face is going to hell....
