Dance to the beat
Of the living dead
Lose sleep baby
And stay away from bed
Raw power is sure to come
A runnin' to you

If you're alone
And you got the shakes
So am I baby
And I got what it takes
Raw power will surely come
Running to you

Raw power got a healin' hand
Raw power can destroy a man
Raw power is more than soul
It's got a son called rock and roll
Raw power honey just won't quit
Raw power I can feel it
Raw power baby can't be beat
Poppin' eyes and flashin' feet

Everybody's always tryin to tell me
What to do
Don't you try
Don 't you try to tell me what to do

Look in the eye
Of the savage girl
Fall deep in love
In the underworld
Raw power is sure to come
Runnin' to you

If you're alone
And you got the fear
So am I baby
Let's move on out of here
Raw power is sure to come
A runnin' to you

Raw power got a magic touch
Raw power is much too much
Happiness is guaranteed
It was made for you and me
Raw power honey just won't quit
Raw power I can feel it
Raw power honey can't be beat
Get down and kiss my feet

Raw power's got no place to go
Raw power honey it don't want to know
Raw power is a guaranteed OD
Raw power is laughin' at you and me
And this is what I want to know
Can you feel it?
Can you feel it?
Can you feel it?
Can you feel it?
Raw power
Can you feel it?
