You better run
Don't let him get you
You better run
Don't let him get you
If he gets you baby
You know hes gonna rape you

You know one day I was in the park
I seen a girl come a-running up to my car
She come running up to my car
And she said Mr. Iggy Pop
Can you get me outta here?
I said why baby
She said
Theres a man over there with a knife
and he wants to rape me
And so I said
Baby, you better run
don't let him get you

You better run
Don't let him get you
You better run
Don't let him get you
If he gets you baby
He is gonna rape you
You better run

Now on the way home I said
Baby you might still get raped
She said "Oh Mr. Pop you don't understand
You don't have to rape me
Cause I love you"

You better run
Don't let him get you
If he gets you baby
I don't know but you know he's gonna rape you
Rape you baby Oh you better run
Lets get out of here! 1-2-3! Hey Hey!
