A cold and hardened people  
Set sail to the sea  
Quested for new land  
A battlefield it came to be  
Everyone would flee  
The berserker's rage

Brave and bold  
They continued on  
The one-eyed god  
Granted victory  
So it came to be  
Another Odin's ride

Valkyries fly  
Bringing souls of the brave  
Home to Valhalla  
A faith written in blood  
Let the weak ones die!

Fight with pride  
Let honour lead the way  
Odin holds the key  
To viking paradise  
Battle in the day  
Drinking and eating at night
