[Alioth:]

This is the end of the story...
This is the end of the world...
Life is watching destruction
This is the beginning of the end

Darkness is reaching this side of the world
Nobody will escape
Moon and Sun, they are fading to black
Demons are arriving at earth

Shadows of war are coming from the sky
Spirits of death unknown
All I see is the end of all mankind
We will burn

Hiding, Running, Fighting
There's no escape
Hiding, Running, Fighting
There's no savior

We need a miracle sent from the gods
Join the armies of the world
It's the only chance to save our lives
Let's try it

Hiding, Running, Fighting
There's no escape
Hiding, Running, Fighting
There's no savior

We need a miracle sent from the gods
Join the armies of the world
It's the only chance to save our lives

Shadows of war, spirits of death
Bizarre creatures born to hurt
Unholy beasts beginning to fight
Only the strongest will survive
