Let's talk this over, give it the time of day.
Cos when I'm sober I won't hear you (hear you),
Won't stay sane.

Count the hours, run through my veins
Tonight is ours. Time and time again.

With friends like these, who needs enemies?
Relentless begging, my thoughts perceive.
We'll talk this over, only time will tell,
You'll never change. I know you too well!

So we talked it over, gave it the time of day.
Cos now I'm sober, I won't hear you (hear you),
I'm not sane!

Count the hours, run through my veins
Tonight is ours. Time and time again.

With friends like these, who needs enemies?
Relentless begging, my thoughts perceive.
We'll talk this over, only time will tell,
You'll never change. I know you too well!
