"Small Talk"

Of all the roads I took the wounded way
Of all the words that you chose to say
There was only three that held any weight
The rest was all just small talk

Lust, I hate it
I guess it's what you make it
Now it's said with past tense
For the sake of moving past this

Breaking into me
Tell it how you think it's gonna be
I'll bite back with broken teeth
So helpless (so helpless)

I sense your purpose
So tense inside yet not on the surface
And if this is worth it
Then why is there still small talk?

Lust, I hate it
I guess it's what you make it
Now it's said with past tense
For the sake of moving past this

Breaking into me
Tell it how you think it's gonna be
I'll bite back with broken teeth
So helpless (so helpless)
'Cause you're breaking into me
Tell it how you think it's gonna be
I'll bite back with broken teeth
So helpless

So where is my patience?
I cannot erase this
It lives inside me and it will die with me
This gap between us grows on
The last thing I want to do is move on
This gap between us grows on
The last thing I want to do is move on

Breaking into me
Tell it how you think it's gonna be
I'll bite back with broken teeth
So helpless
'Cause you're breaking into me
Tell it how you think it's gonna be
I'll bite back with broken teeth
So helpless
