So many times you told me that you loved me  
And just as many times I found that it's not true  
So if you had your fun and you still need someone  
Come on home to the arms of a fool

My foolish eyes still cry when my ears believe a lies  
And my foolish heart keeps saying I love you  
So if your new flame dies and you're still burning with  
desire  
Come on home to the arms of a fool

And now even if I'm standing in for someone  
It's all right 'cause I'm standing next to you  
You'll find an open door and I'll take you back once  
more  
Come on home to the arms of a fool

My foolish eyes still cry when my ears believe a lies  
And my foolish heart keeps saying I love you  
So if your new flame dies and you're still burning with  
desire  
Come on home to the arms of a fool  
Come on home to the arms of a fool
