(Hank Cochran)

You make my eyes run over all the time
You're happy when I'm out of my mind
You won't love me and you won't let me be
Don't you ever get tired of hurting me.

You must think I look bad with a smile
For you haven't let me wear on in such a long long
while
Still I keep running back how can this be
Don't you ever get tired of hurting me.

--- Instrumental ---

You must think I look bad with a smile
For you haven't let me wear on in such a long long
while
Still I keep running back how can this be
Don't you ever get tired of hurting me...
