Oh the games people now every night and every day
now
Never meanin' what they say now never sayin' what
they mean
They just wile away the hours in their ivory towers
Till they're covered up with flowers in the back of a
black limousine
Lotten da la da da da lotten da la a dee de dee
I'm a talkin' bout you and me and the games people
play

Oh we make one another cry break a heart then we say
goodbye
Cross our hearts and we hope to die that the other
one's to blame
Neither one'll ever give in so we gaze at an eight by ten
A thinkin' bout the things that might have been
And it's a dirty dirty dirty rotten shame
Lotten da la da da da...
[fiddle]
Now people walkin' up to ya singing glory hallelujah
And they're tryin' to sock it to ya in the name of the
Lord
They're gonna teach you how to meditate read your
horoscope and cheat your fate
And furthermore to hell with hate come on and get on
board
Lotten da la da da da...

Look around and tell me what you see what's happened
to you and me
God grand me the serenity to remember who I am
Cause you've given up your sanity for your pride and
your vanity
Turn your back on humanity and you don't give a da da
da
Lotten da la da da da...
