I wonder what the power is that you hold over me
I never get to love you long just your memory
And I make a vow each time you leave that this would
draw the line
Then you come back and just like now I'm falling one
more time

One more time my lips may kiss you
But one more time my arms will hold you
But it won't belong until you're gone with a mem'ry left
behind
And I just know that when you go I'll be lonely one more
time

[fiddle]
Your nearness makes me weaken and I give into you
And I'm doing all the things I said that I wouldn't do
And I make a vow each time you leave that this would
draw the line
Then you come back and just like now I'm falling one
more time

One more time my lips may kiss you...
And I just know that when you go I'll be lonely one more
time
