(Jim Rister)

I wake up every morning  
And I hear good morning darling  
I see heaven in you  
A kiss on the lips awakens me  
And it's a lovely angel that I see  
I see heaven in you.

La la la la la de de dam  
That's just how it feels  
And don't you try to tell me  
That this angel I hold is not really real  
'Cause I see heaven in you.

--- Instrumental ---

And if I awaken in the middle of the night  
I feel two arms are holding me tight  
I see heaven in you  
Lonely blues were never comin' round me  
It may be dark but I'll always see  
I see heaven in you.

La la la la la de de dam  
That's just how it feels  
And don't you try to tell me  
That this angel I hold is not really real  
'Cause I see heaven in you.

'Cause I see heaven in you.
