(Danny Dill - Don Davis)

Just one more dance just one more chance so I can talk  
to you

Don't live too fast forget the past and I will try to prove  
I would do anything you want me to  
Don't run around don't turn me down let me talk to you.

Don't go too far with that crowd at the bar  
That's not the way to win please fall in love again  
Give me your heart so I can start to build our life anew  
I know you've paid so if you're afraid let me talk to you.

--- Instrumental ---

Don't go too far with that crowd at the bar  
That's not the way to win please fall in love again  
Give me your heart so I can start to build our life anew  
I know you've paid so if you're afraid let me talk to  
you...
