(Billy Arr - David Allds)

I've tried so hard to get you off my mind
But it seems you've left too much of you behind
Mem'ries of the past get in my way
I keep lookin' for tomorrow and finding yesterday.

You're in every cup of coffee and in every glass of wine
And each song on the jukebox sounds like yours and
mine
Funny when I look at someone new I see your face
I keep lookin' for tomorrow and finding yesterday.

--- Instrumental ---

I told myself the day you said goodbye
Go find somebody new to drive her from your mind
But easy said's not easy done like some folks say
While I'm lookin' for tomorrow I keep finding yesterday.

You're in every cup of coffee and in every glass of wine
And each song on the jukebox sounds like yours and
mine
Funny when I look at someone new I see your face
I keep lookin' for tomorrow and finding yesterday.

I keep lookin' for tomorrow and finding yesterday...
