(Mel Tillis - Kent Westberry)

She's a heart breaker
She's a love taker
She's a memory maker
And I bet she's making memories tonight.

Walking all over this lonely city
Nothing in my heart but a fool self pity
'Cause I'm still in love with the girl
That didn't do me right.

But there ain't no way for me to forget her
'Cause I ain't never been cheated any better
And I bet she's cheatin' someone else tonight.

She's a heart breaker
She's a love taker
She's a memory maker
And I bet she's making memories tonight..

--- Instrumental ---

Well, her mem'ries like a book and it keeps on crawling
All over my mind and the tears keep a falling
Thinking bout the things that might have been.

Well, this old heart of mine can't take it
I still love her and I can't shake it
I bet she's shaking someone else tonight.

'Cause she's a heart breaker
She's a love taker
She's a memory maker
And I bet she's making memories tonight.

She's a heart breaker
She's a love taker
She's a memory maker
And I bet she's making memories tonight...
