(Bob Gallion - Earl Sinks)

(No not once but a hundred times.)

Last night I went out with someone new
Just to see if I was over you
No not once did you cross my mind
No not once but a hundred times.

Foolish to think someone else would do
Have to taste the sweet love from you
So each day I'll have you on my mind
Do not once but a hundred times.

I took all her love and she gave her best
While I put my love for you to a test
And not once did you cross my mind
No not once but a hundred times.

Foolish to think someone else would do
Have to taste the sweet love from you
So each day I'll have you on my mind
Do not once but a hundred times.

No not once but a hundred times...
