One More Time
(Mel Tillis)

I wonder what the power is that you hold over me
I never get to love you long, just your memory
And I make a vow each time you leave this will draw the
line
Then you come back and just like now I'm falling one
more time.

One more time my lips may kiss you
One more time my arms will miss you
But it won't belong until you're gone with a mem'ry left
behind
I just know that when you go I'll be lonely one more
time.

Arms of a Fool
(Ronald McCown)

So many times you've told me that you love me
And just as many times you proved that it's not true
So if you've had your fun and you still need someone
Come on home to the arms of a fool.

My foolish eyes still cry when my ears believe a lie
My foolish heart keeps saying I love you
Now if your new flame dies and you're still burning with
desire
Come on home to the arms of a fool.
Come on home to the arms of a fool...
