I wonder what the power is that you hold over me
I never get to love you long, just your memory
And I make a vow each time you leave that this will
draw the line
Then you come back and just like now I'm falling one
more time

One more time my lips may kiss you
One more time my arms will miss you
But it won't belong until you're gone with a memory left
behind
And I just know that when you go I'll be lonely, one
more time

Your nearness makes me weaken and I give into you
And I'm doing all the things, I said that I wouldn't do
And I make a vow each time you leave that this will
draw the line
Then you come back and just like now I'm falling one
more time
