(Dave Kirby - Glenn Martin)

Rain drippin' off the brim of my hat  
Sure is cold today  
Here I'm a walkin' down 66  
Wish she hadn't done me that way.

Sleepin' under a table in a roadside park  
A man could wake up dead  
But it sure seems warmer than it did  
A sleepin' in our king size bed.

Is anybody going to San Antone  
Or Phoenix, Arizona  
Anyplace is all right as long as I can forget  
I've ever known her.

--- Instrumental ---

Wind a whippin' down the neck of my shirt  
Like I ain't got nothing on  
But I'd rather fight the wind and rain  
Than what I've been fighting at home.

Yonder comes a truck with the US mail  
People writin' letters back home  
Tomorrow she'll probably want me back  
But I'll still be just as gone.

Is anybody going to San Antone  
Or Phoenix, Arizona  
Anyplace is all right as long as I can forget  
I've ever known her.

Is anybody going to San Antone  
Or Phoenix, Arizona  
Anyplace is all right as long as I can forget  
I've ever known her...
