No one wants to go down to Tucson in the summer  
So this time the boss chose me  
I've been sort of restless yes he thought it might help if  
I got away from my wife and family

There's been no other woman since the mother of my  
children  
And in each and every way she's a lady  
Now there's one that I'll remember a sultry night we  
spent together  
And she satisfied the love inside of me

(Chorus)

Go on and send me down to Tucson and I'll get the job  
done  
And call up the one whose love is free  
She may be easy and I love my lady  
But the lady don't satisfy the love inside of me

I know my lady's not to blame cause they raised her  
prime and proper  
While another takes her pleasures where she can  
The one in Tucson she don't hide it and when she gets  
excited  
She makes you feel your every inch a man

But if I could have a wish that I knew would be granted  
Don't you know that one wish would be  
Just to lay beside my lady and she'd be the kind of lady  
To satisfy the love inside of me

Go on and send me down to Tucson and I'll get the job  
done  
And call up the one whose love is free  
She may be easy and I love my lady  
But the lady don't satisfy the love inside of me

Go on and send me down to Tucson and I'll get the job  
done  
Go on and send me down to Tucson and I'll get the job  
done
