(Merle Haggard)

Silver wings shining in the sunlight
Roaring engines headed somewhere in flight
They're taking you away leaving me lonely
Silver wings slowly fading out of sight.

Don't leave me I cried
Don't take that airplane ride
But you locked me out of your mind
And left me standing here behind.

Silver wings shining in the sunlight
Roaring engines headed somewhere in flight
They're taking you away leaving me lonely
Silver wings slowly fading out of sight.

Silver wings slowly fading out of sight.

Silver wings shining in the sunlight

They're taking you away leaving me lonely
Silver wings slowly fading out of sight...
