They say my tears come from the bottle that stands  
beside me all the time  
But I wonder if they know the sorrow that always  
overtakes the wine  
I drink to find forgetful valleys where I can leave old  
memories behind  
But always just before I reach them sorrow overtakes  
the wine  
[ steel ]  
These tears can find me when I'm sober they're quick  
to show up anytime  
And I always try to drink them under but sorrow  
overtakes the wine  
I drink to find forgetful valleys...  
Sorrow overtakes the wine
