STAND BESIDE ME BEHIND ME

WITH SHERRY BRYCE

(Paul Craft)

© '71 Acuff-Rose Music

Stand beside me behind me so loneliness can't find me

I need your love to make it from now on

Stand before me and with me so sorrow's hand can't  
touch me

Without your love I know I won't last long

I'm reaching out my soul to you my heart my hand my  
all for you

My only prayer is just that you will always reach for me

Stand beside me behind me so loneliness can't find me

Without your love I know I won't last long

I'm reaching out my soul to you...
