Take my hand and walk with me  
Along life's road in harmony  
My body's warm my heart is free  
Take my hand and walk with me

Take the love I offer you  
All I want is your love to  
Happiness is all I see  
Take my hand and walk with me

You're the reason that I live  
I have so much love to give  
I'll feel this eternally  
Take my hand and walk with me

Take the love I offer you  
All I want is your love to  
Happiness is all I see  
Take my hand and walk with me
