(Tommy Duncan)

There was a time when I thought of no other  
And we sang our own love's refrain  
Our hearts beat as one as we had our fun  
But time changes everything.

When you left me my poor heart has been broken  
Our romance seemed all in vain  
The dark clouds're gone and there's blue skies again  
'Cause time changes everything.

--- Instrumental ---

Time has passed then I dorgot you  
Mother nature does wonderful things  
I guess it's true for me and for you  
'Cause time changes everything.

So goodluck to you may God bless you  
I can't say I won't love again  
You've gone your way and now I'll go mine  
Cause time changes everything.

Time changes everything...
