World what have I done to make you frown on me to  
cast me endlessly  
Into your variety what have I done what have I done  
World what have I done to numb my brain with wine to  
lose all track of time  
To know no peace of mind what have I done what have I  
done  
I can get my head above the water I can get my head  
above the water  
World what have I done to no one be a worth to never  
have no mirth  
To live this hell on earth what have I done what have I  
done  
World what have I done to walk these lonely streets  
wherever returns debit  
Too hungry to eat what have I done what have I done  
I can get my head above the water
