World what have I done to make you frown on me to
cast me endlessly
Into your variety what have I done what have I done
World what have I done to numb my brain with wine to
lose all track of time
To know no peace of mind what have I done what have I
done
I can get my head above the water I can get my head
above the water
World what have I done to no one be a worth to never
have no mirth
To live this hell on earth what have I done what have I
done
World what have I done to walk these lonely streets
wherever returns debit
Too hungry to eat what have I done what have I done
I can get my head above the water
