(Ben Weisman - Sid Wayne)

You only think of me when you're lonely  
After all the laughter's been and gone  
When the streets are filled with neon shadows only  
I'm the shoulder you come crying on.

Each time I take you back I know again you'll hurt me so  
Still this heart of mine just let you come and go why I  
don' tknow  
'Cause you only think of me when you're lonely  
'Cause I'm lonely thinking 'bout you all the time.

--- Instrumental ---

Each time I take you back I know again you'll hurt me so  
Still this heart of mine just let you come and go  
You only think of me when you're lonely  
But I'm lonely thinking bout you all the time.

Yes, I'm lonely thinking 'bout you all the time...
