Hey are you OK  
Girl passed out on your couch  
Said it's weird at your house  
Fashion police for society  
Copy nazis, watch your dreams  
Don't gotta be what your not with me  
You be yourself I'll be me  
Hey... are you alright  
Vans, chucks, jack boots, slave labor, made life  
Fashion police for society  
Copy nazis, what do you mean?  
Don't gotta be what your not with me  
You be yourself I'll be me  
Fashion police for society  
World security little wars for economy  
Fashion police for society  
Copy nazis, what's your theme?  
Don't gotta be what your not with me  
You be yourself I'll be me
