Dirty knees, too much speed, get somebody laid
Take that girl Saigon Sally, works in chi place
Sucked on by ms liberty, now she's not alone
Trade your cars for shopping carts now you gotta home
Life in streets, you're bait, to greed and slaves
War is cheap it's late burn a flag
Government by media, does she have a role
Children left in foster rape camps, kids are on their
own
Snorts on coke, doesn't smoke, does she have a soul
Sucked by a gay blind cowboy, wants you to lead him
home
Life in streets, you're bait, to greed and slaves
War is cheap it's late burn a flag
