Whoever blew up my country, I give up today  
I'll wear a towel, I'll grow a beard, I'll cover my girls  
face  
But someone tell me, a warrior help me, can't I have no  
fun  
Osama la Bin Laden Can't I have no fun  
I like your style It's really wild a little Martyr Dom  
But mommy call the CIA someone blew up the USA  
A camel jockey, raping life style, can't I have no fun  
I like the wives, the bombs and riffles, I came to get a  
gun  
Say we're all a big disgrace come blow up the human  
race  
Osama Jihad Johnny Bin Laden can't I have no fun  
I think the bombs are really right, the kids have got  
their guns  
What we need is rock n roll shopping malls Big K Kabul  
Osama la Bin laden the oil guys got guns  
We got the poppies planted, Johnny Johnny Joe jihad  
A Toyota truck just got stuck someone call the CIA  
Try to change the human race someone blew up the  
USA
