Say they got fake new hair  
Stupid tattoos like nothings there  
Hey baby, they're just like you. I gotta too  
Your mother picks her nose  
Dirty feet smelly clothes  
In her way hey, she's just like you, I gotta too  
Everybody takes a shit like you, they gotta too  
They squat think fuck shit up like you  
Give me your white bitch smile  
That dirty look like you got style  
Lady hey she's just like you. I gotta too  
I like the dirty talk  
The way she fucks she never sucks  
Hey lady she's just like you, gotta too  
Everybody takes a shit like you they gotta too  
They squat think fuck shit up like you, Baby boo  
Your tits got little style  
Fake me out that white bitch smile  
Now baby, they're just like you, I gotta too
